New Standards-Based Lessons for the Busy Elementary School Librarian: Social Studies Dec 08 2021 Busy elementary librarians need help applying the new AASL Standards Framework, especially in collaboration with social studies teachers seeking to apply the social studies standards framework. This book shows a path forward for both. This book will be a tremendous help to the busy elementary school librarian who is working with the busy elementary social studies teachers in the school. As they are designing and co-teaching library-based lessons based on the Social Studies Standards Framework, the English Literacy Common Core Standards, and the new American Association of School Librarians Standards (AASL) Learners Framework, these reproducible applicable lessons will enhance planning and implementation. You'll get ready-to-use lessons as well as model lessons to adapt to the needs of your own curriculum and students. All standards are applied in — with needed handouts — other tools and current lists of recommended resources provided. Lessons are coordinated to common elementary social studies curricula at indicated grade levels, but can be adapted as template lessons as needed. Current

resource lists aid librarians in collection development to support new and current standards. Applies the new AASL Standards Learner Framework to easily used lessons Applies the new Social Studies Standards Framework to library-based lessons and resources Applies Common Core Language Arts Literacy Standards to library-based lessons Provides easy-to-use reproducible elementary school lessons Provides recommended current resources for all elementary library lessons

The book also includes essential tools such as reproducible lesson plans, worksheets, graphic organizers, and more. Concise but complete, this is an ideal resource for substitute teacher professional development.

De geest der wetten, Jul 03 2021

Celebrating Our Constitutional Heritage with Young People May 21 2020 Targeted toward young people aged 12 through 18, this handbook contains ideas for educational activities, suggestions for special events, a brief overview of the constitutional development period in U.S. history, and an outline of the Constitution. Excerpts from a few of the secondary materials developed for the Bicentennial of the U.S. Constitution are used to suggest how several major generalizations about the Constitution

can be conveyed to young people. These basic ideas are to teach: (1) the intrinsic values embedded in the Constitution; (2) the unique historical role it has played in providing both a philosophical ideal and a model for the states and other countries; (3) the language and structure of the document; (4) the role of each branch of government; (5) what rights and responsibilities to which an individual is entitled under the Constitution; (6) the impact of the Constitution on the development of the United States through the years; and (7) the importance of the Constitution in current times and its influence on people's lives today. A list of useful resources for teaching this subject is included as well as a directory of law-related education leaders and resources within various states. (JB)

Canadian Government Gr. 5-8 Jul 23 2020 Travel back to Confederation to see how Canada became a new nation. Our resource breaks down the responsibilities and parts of the federal government. Recognize that Canada is a democracy and a constitutional monarchy, with the head of state being the King or Queen. Read the Canadian Charter of Rights and Freedoms, before writing your own Constitution for a new country. Create a presentation on one of the departments the federal government is responsible for, such as national defense or the post office. Understand that Canada is made up of provinces and territories, and that each has its own government under the federal system. Jump into the political process to elect the next Prime Minister, and see how a majority of minority government affects his or her leadership. Aligned to your State Standards and written to

Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included.
