Shows future teachers how to put theory into practice. This text reflects the voices of teachers and students, and includes numerous case studies to help pre-service teachers understand how to apply educational psychology. It covers the research - including coverage of learning and cognition. Driven by learning goals, previous editions of this text have been widely adopted for their accurate, complete, and up-to-date coverage. While maintaining these hallmarks, this revision includes increased coverage of adulthood and aging, a new "Interlude" feature on applications, and updated research with more 21st-century citations than ever before. Extensively developed based on exhaustive reviewer feedback, Santrock/Mitterer Psychology, First Canadian Edition is a highly readable, practical and research-oriented introduction to the discipline. Adapted from the U.S. Sixth Edition, Santrock/Mitterer presents psychology within a Canadian context by using examples, statistics and cultural references that students can relate to. The vital research that shapes psychology is maintained in this edition. No other introductory text provides a better balance of research vs. pedagogy, content vs. applications, depth vs. breadth, and theoretical vs. practical information. All of this is presented in clear, understandable prose and in a highly visual design that is pedagogically sound and striking without being distracting. John Santrock's Educational Psychology is a well-crafted text that emphasizes the application of theory to classroom practice. With richly evocative classroom vignettes provided by practicing teachers, as well as the most case studies - three per chapter - of any Introductory text, Santrock's Educational Psychology helps students think critically about the research basis for best practices. Additionally, Santrock's hallmark Learning System organizes the content into manageable chunks to support retention and mastery, and makes it much more likely that students will have an engaging and successful course experience. Barron's newest edition of TOEFL iBT has been
