Astronomical Observations Nov 26 2020 Vols. for 1841-1914 include Rates of box and pocket chronometers on trial for purchase by the Board of Admiralty (varies slightly); 1888-1914 include Rates of chronometer watches on trial for purchase by the Board of Admiralty (varies slightly); 1838, 1845- include Reports of the Astronomer Royal to the Board of Visitors (these titles also issued separately).

West Federal Taxation 2005 Aug 24 2020

Combining the number one Individual tax text with the number one Corporations text, West Federal Taxation: Comprehensive Volume, 2005 Edition, is a true winner. An edited version of

the first two WFT textbooks, this book offers a thorough and balanced treatment of relevant tax Code and regulations as applied to individuals and corporations. Ideal for undergraduate or graduate levels, this text works for either a one-semester course in which an instructor wants to integrate coverage of individual and corporate taxation, or for a two-semester sequence in which the use of only one book is desired.

Uncovering the Theme of Revelation in Romans

1:16-3:26 Feb 22 2023 "Past study of Rom

1:16-3:26 focuses on individual salvation or on social relations and also produces a host of interpretative quandaries. Marcus A. Mininger

develops a new approach, which includes but goes beyond these foci, by unearthing the theme

of revelation that runs throughout Paul's argument largely unnoticed. More than a proof of sin or of social equality, Paul provides a survey of numerous visible revelations, in which otherwise invisible realities like God's wrath, the power of sin, and God's righteousness are seen through the observable effects they produce in different people. Read this way, the rationale of Paul's argument becomes quite clear, including for "problem texts" like Rom 2 and 3:1-8, as Paul proves that the gospel, not the law, overcomes sin's power and that God's righteousness always exists in contrast to the human condition in this age."--! From publisher's description
