It's like taking your service drill and ceremonies manual out with you, but in a much more concise and explanatory tool that fits in your cargo pocket. Complete with a space on most pages for instructor notes! Ideal for ROTC, JROTC and all cadet program instructors and coaches! Train your unit using the sound drill and ceremony principles of the American military, specifically enhanced by The DrillMaster for competitive teams. This training is not offered anywhere else. Also available in spiral binding. A union list of serials commencing publication after Dec. 31, 1949. Dated June 2021 Models covered: CG 125, 124 cc The CG-263 Paint and Color manual was prepared by the US Coast Guard to document the basic instructions for color schemes used by the service. It includes color diagrams of the color schemes, but is largely in black and white. It includes the technical details of how to mix, store, prepare, and apply various paints that were in use at the time. It is being reprinted as a convenience to

operators, enthusiasts and private owners. En instruktionsbog (Flight Manual) for B-58 Hustler. Includes entries for maps and atlases.
