Diddy, Alicia Keys, and Jessica Simpson, officially as a publicist but in reality, as a confidante—Rob Shuter has seen it all. In fifteen years as a celebrity publicist, Rob has been privileged to have a front-row seat to the most successful people in the world. Before Jessica Simpson told then-husband Nick Lachey that they were getting divorced, she called Rob. Jon Bon Jovi flew Rob to each of his shows on a private jet for the primary purpose of escorting out press before his fabulous hair flopped. Rob was responsible for making sure an Asian pear was within feet of Jennifer Lopez at any given moment, per her very specific demands. Being involved in the lives of the best and the brightest, Rob quickly discovered it wasn't talent all his super successful clients had in common. Rather, what all these extraordinary people share is they know exactly who they are—in just four words.

Early 3 Rs answers the question: "What can I SAY and DO to give each child the best possible start on the 3 Rs?" With the strategies and materials in this book, a teacher can give personalized direct instruction in the 3 Rs to a beginner, in just a few minutes a day. The early chapters tell how to prepare a young child for reading, writing, and arithmetic. Subsequent chapters show how to give a beginner an early start on learning the 3 Rs. All

*strategies begin with the oral approach (from phonemic awareness to "arithmetic-talk") and then progress to print that is personally meaningful to a young child. Early 3 Rs: * Includes arithmetic as a component of early literacy. * Gives developmentally appropriate methods for direct teaching of the 3 Rs. * Provides scripts of what the teacher can say to promote early learning. * Helps education students in field-based classes offer personalized instruction. P.S. It's Gonna Be Good: How God's Word Answers Our Questions about Faith, Fear, and All the Things
*Jan 19 2023 How can I hope for a good future with my bad past? Why them and not me? Why me and not them? What if I just don't know what to do? In our current climate of rising anxiety, we frequently run through worst-case scenarios. So many questions constantly circulate in our minds, and despite our best intentions and honest efforts, fear seems to be winning. We know the Bible repeats, "Do not fear," but how do we do that? What do we do after we've cast our cares on the Lord, memorized Scripture, pumped worship music through every speaker, and yet still feel stuck? In *P.S. It's Gonna Be Good*, writer and popular Instagram content creator Heidi Anderson offers a hope-filled response to these questions by using her own journey, as well as pointing us to God's people who have come before us. In each chapter of her insightful, conversational, and highly relational*

book, she focuses on a different Bible character as if we were walking behind their footsteps in real time, looking at the deep questions that plagued their minds and hearts--the same questions we face today. We will encounter: Gideon: "What if I don't have what it takes?" Esther: "What do I do when God feels silent?" Joshua: "What if God's promises don't line up with my reality?" Martha: "What about when the worst-case happens?" And more! Join Heidi as she walks us straight into the heart of God's Word, where we will experience His peace, find confidence in His good plans, and be set free to meet the future we were made for. And P.S. . . . It's gonna be good.
