Study & Master Accounting Grade 12 has been developed with the help of practising teachers, and covers all of the requirements of the National Curriculum Statement for Accounting. This Workbook complements the Learners Book and Teachers Guide. Study & Master Accounting Grade 12 has been developed with the help of practising teachers, and covers all the requirements of the National Curriculum Statement for Accounting. Special features of the Teacher's Guide include: * a full overview of the National Curriculum Statement * a detailed look at the Learning Outcomes and Assessment Standards for Accounting, and how much time to allocate to each during the year * valuable information on assessment, and how to manage assessment in the classroom * a year planner and work schedule that will facilitate effortless planning solutions to all the activities in the Learner's Book * photocopiable assessment sheets for each type and method of assessment. PASS Accounting provides a comprehensive overview of the curriculum to help you prepare for the exam. Here you will find: • clear definitions and explanations • worked examples • practice activities covering typical exam questions • templates for recording your answers at the back of the book Grade 12 Accounting in a nutshell!
